SCC / OICA Summer Art Portfolio Program

What is it?

SCC's Oconaluftee Institute for Cultural Arts (OICA) in Cherokee will offer a Summer Art Portfolio Program for 30 high school students grades 9 -12 and 2012 graduates to enhance their art skills or prepare a portfolio for college admissions into a fine arts program. The program will be three weeks long in June, 9:00 AM to 3:00 PM, Monday through Friday. Pack a lunch for the hour lunch break. The students will be divided into three groups of 10 and rotate through three key areas: Printmaking, Drawing and Sculpture. In each of these areas, students will work with both college instructors and generational instructors from the Qualla Boundary. Upon completion of the program, the students will have an art show in the OICA gallery featuring their work. A public reception will be held July 12th from 5pm to 7pm. Refreshments and light hors d'oeuvres will be served.

Why?

Students will have exposure to what it is like to take Art in a college/professional setting while making new connections with professional artists in the area. Each instructor is a practicing professional artist and a professor of art at SCC. Students will learn advanced skills and processes beyond the high school level as well as exposure to native arts and artists from the region. All projects will make up a refined art portfolio for future use.

When:

June 11th – 29th (some students can participate for a shorter duration if requested in advance)

Registration forms are due May 31st at OICA

Where:

Oconaluftee Institute for Cultural Arts in Cherokee, NC
