IHS-eligible individuals will be able to claim exemption through tax filing process

ealth and Human Services Secretary Sylvia M. Burwell announced last week that individuals eligible to receive health care from an Indian Health Service (IHS), tribal, or urban Indian health program provider will be able to claim an exemption from the shared responsibility payment through the tax filing process starting with the 2014 tax year. The Internal Revenue Service (IRS) and the Treasury Department intend to publish guidance later this year confirming that individuals who are eligible for this exemption may claim it through the tax filing process.

This benefit gives individuals who are eligible to receive services from an Indian health care provider, including the IHS, the same filing option as members of federally recognized tribes (including Alaska Native shareholders). Both groups will continue to have the option of submitting the exemption application through the Health Insurance Marketplace.

Prior to this week's announcement, exemptions were available both to individuals who were members of a federally recognized tribe and to individuals who are eligible to receive services from an Indian health care provider. But members

of a tribe were able to claim an exemption through the federal tax filing process, while individuals who are eligible to receive services from an Indian health care provider were required to obtain this exemption through the Health Insurance Marketplace by filing a paper application.

The availability of the online tax filing process to apply for the Indian health care exemption will save time and reduce duplication of effort. Individuals intending to claim this exemption through the tax filing process should retain the same documentation that they would otherwise submit to the Mar-

ketplace as part of their exemption application.

Secretary Burwell first announced this updated rule at the Secretary's Tribal Advisory Committee meeting on Thursday, Sept. 18. This simplified process for claiming the exemption through the tax filing process was initiated based on requests by tribal leaders. The IHS worked closely with the Centers for Medicare and Medicaid Services and the IRS to extend these options to individuals eligible to receive services from an Indian health care provider.

Harrah's Cherokee donates \$5,000 to ALS

Harrah's Cherokee photos

Fifty Harrah's Cherokee Casino Resort employees donated money and participated in the ALS Ice Bucket Challenge this month. Along with the Ducky Dunk Challenge, Harrah's Cherokee employees raised a total of \$5,000 for the ALS Association throughout the month of September.

arrah's Cherokee Casino Resort, along with its employees, raised \$5,000 for the ALS Association during the month of September.

Harrah's Cherokee employees joined in on the national craze to raise money for ALS research with the Ice Bucket Challenge earlier in the month, and the property's fundraising efforts concluded with a Ducky Dunk Challenge on Saturday, Sept. 20 with more than 800 employees participating. At the Ducky Dunk Challenge, employees wore jeans to work for a donation to the ALS Association, enjoyed food and music, and took the opportunity to dunk senior leadership in a water tank.

Guests were also able to

participate by making a donation to the ALS Association.

"My sister was diagnosed with ALS 2.5 years ago," David Norris, Harrah's Cherokee Casino Resort warehouse technician, said. "She wanted me to tell everyone at Harrah's Cherokee that she is so grateful for everything we have done here to raise money and awareness about ALS."

Nationally, donations from the ALS Ice Bucket Challenge recently reached \$114 million. Donations came from more than 3 million donors who have contributed since the challenge went viral in late July. The ALS Association, which raised \$64 million in all of 2013, has described

the influx in funds as "a game changer" for the organization's efforts.

"We are so proud and blown away by our employees' efforts to raise money for such a worthy cause," Brooks Robinson, Harrah's Cherokee Casino Resort regional general manager and senior vice president, said. "Several of our employees have been personally touched by the devastating disease. These events were a great way for employees to show support for their coworkers and their families."

ALS was first discovered in 1869, but it wasn't until 1939 that Lou Gehrig brought international attention to the disease. Ending the career of one of the most beloved baseball play-

ers of all time, the disease is still most closely associated with his name. Amyotrophic lateral sclerosis (ALS) is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord.

The ALS Association said in a statement that it would use the recent influx of donations to scale up research into the disease, including a recent pledge of \$3.5 million to fund 21 new research projects, and provide more services to people currently suffering from ALS.

For more information about ALS and how you can donate, visit www.ALSA.org

as he helped the Braves win
their conference opener on
Homecoming night.
Cherokee (3-3) defeated

Hayesville (2-3) 34-14 on Friday, Sept. 26 at Ray Kinsland Stadium.

Buchanan went 16 of 19 for 189yds, 3 TDs and no interceptions. He was also the Braves top rusher on the night with 16 carries for 28yds and 1 TD. Dustin Johnson was his favorite receiver on the night with 6 catches for 82yds and 1 TD.

Cherokee's defense held the Yellow Jackets to just under 200 total yards on the night including only 22 in the air. Jaron Bradley led the Braves with 15 tackles followed by Lloyd Mitchell, Kennan Panther (western North Carolina's current leading tackler) and Will Davis with 13 each. Mitchell also had a sack.

The game started out slowly with both defenses playing well early on.
Hayesville turned the ball over on downs on their first possession and Cherokee had to punt following a

three-and-out on their first chance with the ball.

Following a Hayesville punt on their next possession, Cherokee took over at their own 36-yard line with just over a minute left in the first quarter. The Braves began to move the ball as the quarter would draw to a close.

On the second play of the second quarter,

Buchanan connected with J.J. Benjamin, Braves running back, on a short pass over the middle. Benjamin did the rest as he cut across the field and simply outran the Hayesville defenders to the end zone for a 43-yard touchdown. Mitchell added the point-after kick and Cherokee led 7-0 at the 11:27 mark of the second.

A personal foul on the

play against Hayesville was assessed on the ensuing kickoff, and the Yellow Jackets started at their own 24-yard line. On third down of their drive, Brandon McMillan, Braves cornerback, intercepted a pass and returned it to the Hayesville 30-yard line.

Buchanan ran 11 yards on first down to the Hayesville 19-yard line, but the drive stalled after that and following a sack on third down, the Braves were forced to punt.

Neither team could move the ball for the rest of the half, and the Braves took a 7-0 lead into the locker room.

During halftime, CHS senior Kendall Toineeta, escorted by her brother, Anthony Toineeta, was named the 2014 CHS Homecoming Queen. She was presented with the newly-made Tahnee Arkansas Memorial Homecoming Crown in memory and honor of the 2009 CHS Homecoming Queen who recently passed away. That crown will be passed to all future CHS Homecoming Queens. Bree Stamper, escorted by Cole Wildcatt, was named the CHS Homecoming Maid of Honor.

Cherokee got the ball first in the second half and set up shop at its own 27-yard line following the kick-off. Eight plays later, Buchanan hit Dustin Johnson on a 31-yard touchdown strike. The point-after failed and Cherokee led 13-0 at the 9:27 mark of the third.

Cherokee's defense held Hayesville to another three-and-out on their next possession and the Braves started from their own 11yard line following the Yellow Jackets punt. Cherokee put together a 14-play drive that ate up over five minutes of the clock and culminated in Buchanan hitting McMillan on a 9-yard touchdown pass. The two-point conversion failed and Cherokee led 19-0 with 2:04 left in the third quar-

Hayesville turned the ball over on downs on their next possession and Cherokee started at their own 38-yard line. On first down, Benjamin ran around the left side of the Hayesville defense on a 43-yard run. An unsportsmanlike conduct penalty against Hayesville for hitting Benjamin out of bounds on the tackle put Cherokee with a 1st and 10 at the Yellow Jackets 14-yard line.

On second down from the 12-yard line, Mitchell ran over several Hayesville defenders on an 11-yard run to the Hayesville 1-yard line. On the next play, he bulled into the end zone for a touchdown.

Buchanan ran for the two-point conversion and Cherokee led 27-0 with 10:43 left in the game.

Hayesville turned the ball over on downs again on their next possession and Cherokee took over at their own 16-yard line. Cherokee fumbled the ball on first down but were able to recover it at the 6-yard line. They gained a few on second down to bring up a

3rd and 14 from the 12-yard line when they fumbled again. This time, Hayesville's Will Patterson scooped it up and ran into the end zone for a 10-yard fumble return for a touchdown. The point-after kick was good and Cherokee led 27-7 with exactly 7:00 left in the game.

Mitchell tried an onsides kick, but Cherokee recovered it at their own 45-yard line. On first down though, they fumbled the ball again and Hayesville took over at the Cherokee 42-yard line.

The Cherokee defense took over on this possession in which Hayesville had -7 yards of offense and turned the ball over on downs. Cherokee started in excellent field possession at their own 49-yard line. Six plays later, Buchanan found the end zone on a 2-yard touchdown run. Mitchell added the extra point and Cherokee extended its lead to 34-7 with 2:34 left.

Hayesville started their next and final possession at their own 35-yard line and put together a 5-play, 65-yard drive that culminated in a 5-yard touchdown run by Jarod Covington with 31.7 seconds left.
Hayesville added the pointafter kick, but it was too late as Cherokee took the victory 34-14.

The Braves (3-3) travel to Murphy (4-2) on Friday, Oct. 3 at 7:30pm.

JV FOOTBALL

Braves edged in four overtime thriller

SCOTT MCKIE B.P.

ONE FEATHER STAFF

The JV Braves (3-1) have won their last two games in dramatic fashion so it should come as no surprise that they got their first loss of the year in an overly dramatic fashion — in four overtimes! Murphy edged Cherokee 24-18 in the fourth overtime at Ray Kinsland Stadium on Thursday, Sept. 25.

Cherokee got the ball first in the game and moved the ball to midfield before throwing an interception that was returned to the Murphy 33-yard line. Cherokee's defense held Murphy to a three-and-out on their first possession and the Braves started their next possession at their own 34-yard line.

The Braves got one first down before the drive stalled causing them to turn the ball over on downs at the Murphy 40-yard line. Several plays later, Murphy would get into the end zone on a 60-yard touchdown run by the Bulldogs quarterback (a Murphy roster was unavailable). The two-point try was no good and Murphy led 6-0 at the 8:34 mark in the first quarter.

The Braves would strike back very quickly. George Swayney fielded the kickoff at his own 25-yard

line and returned it to the Murphy 49. On the first play of the drive, Tye Mintz, JV Braves quarterback, took the ball around the left end all the way for a 49-yard touchdown run. The two-point conversion failed and Cherokee tied the game at 6-6 with 8:01 left in the second quarter.

Neither team was able to move the ball for the rest of the half and the teams headed to the locker room tied at 6-6.

During halftime, Cherokee Middle School held its Homecoming festivities and Jade Ledford, 8th grade, was named the CMS Homecoming Queen and Jade Ledford, 7th grade, was named the CMS Homecoming Princess.

Murphy got the ball first in the second half. Following a nice kickoff return, they started their drive at the Cherokee 49-yard line. They drove deep in Cherokee territory, but the Braves defense held strong and stopped the Bulldogs on a 4th and 4 at the Cherokee 8-yard line

causing Murphy to turn the ball over on downs.

The Braves drove the ball into Murphy territory, but they too eventually turned the ball over on downs at the Murphy 22-yard line. Murphy turned the ball back over to Cherokee on downs several minutes later. And, it went back and forth with both defenses holding strong.

Regulation time would end with the score still tied at 6-6. For junior varsity game, overtime is played with each team getting the ball at the 10-yard line with four plays to score.

Cherokee wasted no time in the first overtime. Mintz threw to Wesley Wildcatt for a 4-yard gain to the 6-yard line on first down. On second down, Mintz broke four tackles on his way to the end zone. The two-point conversion was no good and Cherokee led 12-6.

Murphy would answer though as their quarterback ran in from one yard out on 4th and 1 to tie the game. The two-point was no good and the game went to a second overtime tied at 12-12.

Cherokee started again in the second overtime and were stopped the first couple of plays. On a 3rd and 9 Murphy intercepted a pass. The Braves needed a defensive stop to save the game and force a third overtime. That's exactly what happened. Cherokee stopped Murphy on a 4th and 1 and the teams went into a third overtime.

The third overtime started rough for the Braves as they fumbled the ball. But, it was recovered by Swayney at their 21-yard line. On 2nd and 21, Cherokee pulled some trickeration (it's a word) as Mintz handed off to Swayney who then threw a 21-yard pass to Holden Straughan who made an incredible one-handed, diving catch in the end zone for a touchdown. Again, the two-point con-

version failed and Cherokee led 18-12.

Murphy would answer as their #40 ran in from one yard out on their third 4th and 1 in a row. The two-point failed and the game went to a fourth overtime tied at 18-18.

The Braves were unable to move the ball on their next possession, and they were stopped following a 4th and 10. Then, on first down, Murphy's #25 ran around the right side for a score to win the game for the Bulldogs at 24-18.

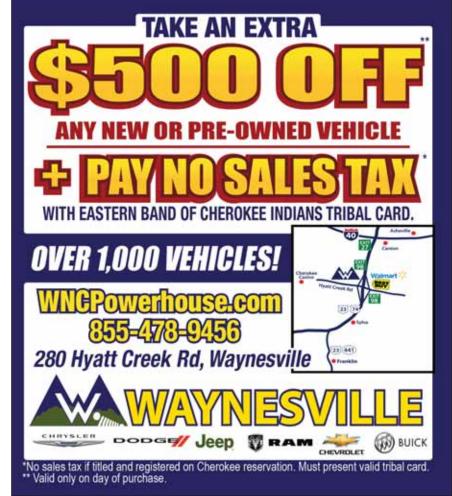

The JV Braves are up for another exciting game as they host Rosman at Ray Kinsland Stadium on Thursday, Oct. 2 at 6pm.

Roberta Mollie Gloyne Arneach Blankenship

Roberta Mollie Gloyne Arneach Blankenship, known to most as Mollie Blankenship, was born April

19, 1919 to John and Louisiana Leta "Lula" Owl Gloyne. She passed away Monday, Sept. 22, 2014 at Tsali Care Center in Chero-

Being the oldest of four, she was very proud of her Cherokee heritage as a member of the Yellowhill community. In 1947, she became the first woman elected to Cherokee Tribal Council. She attended the Cherokee Boarding School and Oklahoma University.

She started work for the TVA and later worked as a stenographer for the Bureau of Indian Affairs in Cherokee later to become head of Realty which she held until retirement in 1985. She served on many boards, especially for the arts including Qualla Arts and Crafts Mutual, Inc. and Southern Highland Guild.

She was one of the founding members of the Cherokee Historical Association and was a trustee for Western Carolina University. She enjoyed traveling all over the country and overseas with her traveling buddy, Betty Dupree, to share Cherokee culture and arts. She was a parishioner of St. Francis of Assisi Episcopal Church in Cherokee. She was preceded in death by her parents, husband, Fred Blankenship; brothers, Dan Gloyne and John Gloyne; daughter-in-law,

Qualla Housing Authority goes green

s the world grows more conscience about global warming and environmental pollution, Qualla Housing Authority has taken its first steps towards addressing this issue. The Qualla Housing Authority's Housing Energy Initiative is to explore creative solutions to providing eco-friendly affordable housing, bring solutions into practice, and prepare tomorrow's homeowners for a world in which energy presents ever more demanding challenges and possibilities.

Residential Leasing

To address the energy efficiency needs of the Residential Leasing Program, QHA teamed with Duke Energy to participate in their Multi-Family Energy Efficiency Program. This program allowed for the installation of energy efficient products in 6 of the

Residential Leasing Communities. On Monday, Sept. 22, it provided assistance to 106 households. These products will reduce the amount of excessive energy and water consumption for QHA tenants, thus reducing their utility expenses.

"I am ecstatic to know that we are taking strides towards more environmentally cognizant actions", said Kimberly Smith, QHA rental occupancy specialist. "The QHA Energy Initiative speaks to the cultural tradition of thinking beyond oneself and for the generations to come."

Homeownership

QHA homeownership clients and community homeowners also have an opportunity to improve the efficiency of their homes. Duke Energy has established the Home Energy House Call Program for individual homeowners.

At no cost to the homeowner, a trained energy specialist will conduct a thorough in-home analysis and install a free Energy Efficiency Starter Kit that includes Compact Fluorescent Light (CFL) bulbs, an energy efficient showerhead, switch and outlet energy seals and more. The Home Energy House Call is being offered for a limited time on a first-come, first-served basis, and participation must be at the request of the homeowner.

Info: Kimberly Smith 497-3070, kimbsmit@nc-cherokee.com or for more information on the Duke Energy program (844) 346-4366, visit https://www.duke-energy.com/ohio/savings/home-energy-house-call.asp

There are several components to the plan. First, a training program for inpatient staff and providers is underway. Second, we are making significant changes to detoxification policies and procedures. We will offer expanded therapy services on site. This will eliminate the need for inpatients to travel to Birdtown for services while in detox at Cherokee Indian Hospital. To accomplish this, Behavioral Health staff have made changes to the outpa-

Preservation Foundation awards \$2.4 million in grants

he Cherokee Preservation Foundation (CPF) recently awarded 18 new grants totaling over \$2.4 million, continuing its mission to improve the quality of life for the Eastern Band of Cherokee Indians (EBCI) and the surrounding region.

Some of the grants include: Cherokee Central Schools:

To support improved and expanded Cherokee language instruction at Cherokee Central Schools both during the school year and the Language and Culture Summer School, and the development for a mobile devise application (app).

Graham Revitalization Economic Action Team: To preserve, expand, and utilize river cane on the Robbinsville High School campus and develop an outdoor classroom with interpretive signage about river cane.

EBCI Division of Commerce: This grant will support marketing efforts on behalf of the Greater Cherokee Tourism Council (GCTC) for 2015. The funds will support ad copy creation and media buys, and other advertising such as websites and social media.

Western Region Education Service Alliance: Funding will further the implementation of the STEM-E framework in Cherokee Central as well as western North Carolina school districts.

EBCI Cooperative Extension Center: Funding provides an inter-

national indigenous cultural experience for local youth in western North Carolina as part of the Costa Rica Eco-study Tour, an ongoing partnership among CPF, EARTH University and EBCI Cooperative Extension.

Revitalization of Traditional Cherokee Artisan Resources (RTCAR): Funding will allow the continuation of the RTCAR initiative and support projects with a focus on enhancing four to six existing projects offering the community and region educational opportunities to continue the goal to preserve and enhance the Cherokee artistic traditions.

Cherokee Youth Council (CYC): The support from this grant will help in the continued enhancement of youth leadership development activities, including youth participation in the 2015 Annual UNITY conference.

Other Cherokee Preservation Foundation Grant Recipients include:

- **Birdtown Community Free Labor (BCFL):** To support its community service efforts.
- The Cherokee Chamber of Commerce: To support the organization's development of its sustainability plan, board development, and opening of a fly- fishing museum.
- Haywood County Youth Council (HCYC):To support the continuation of the Haywood County Youth Council.
- Western Carolina University Language Department: To support the Cherokee Language Program as an integral partner in the Cherokee Language Revitalization Initiative.

- Western North Carolina Nonprofit Pathways: To provide training, learning opportunities and resources to nonprofits and community groups across the WNC region.
- Land Trust for the Little Tennessee: To support the expandition of the Nikwasi to Cowee Cultural Corridor project to capitalize on current opportunities around the environmental and cultural assets of these sites.
- Blue Ridge National Heritage Area Partnership: To support an initiative to enhance cultural tourism, build visitation to Cherokee heritage attractions, and expand greater understanding of Cherokee heritage and culture.
- The Museum of the Cherokee Indian (MOCI): To upgrade the website design, and improve its user-friendly functionality.
- Swain County High School: To support the creation of an interactive Cherokee language curriculum online for second language learners
- Cowee Pottery School: To highlight the historical significance of 'unaker' clay in the programming of the Cowee Pottery School.
- Chattooga Conservancy: To manage recently transplanted river cane and expand planting at the Chattooga Town site in Sumter National Forest.

For every one dollar given by the Cherokee Preservation Foundation, it is matched by \$1.61, either by secured funds/grants, in-kind or leveraged resources, making CPF's total contribution to the region \$6.308.837.

Energy Tip of the Week Presented by Cameron Cooper,

Energy Program Coordinator 828-554-6713 ccooper@nc-cherokee.com

READY FOR WINTER...

This a good time of year to get your heat pump checked for efficiency. Get a routine maintenance and inspection of your heat pump each autumn to make sure it is in good working order.

Replace your heater's air filter as recommended by the manufacturer once a month generally. Your heating system will work less hard, use less energy and last longer as a result. Most homeowners can replace filters and do such simple tasks as cleaning and removing dust from vents or along baseboard heaters.

Reverse the switch on your ceiling fans so they blow upward, toward the ceiling. Ceiling fans are a great idea in the summer, when air blowing downward can improve circulation and make a room feel four degrees cooler. A cooling draft is a poor idea when it's cold, however. By reversing the fan's direction, the blades move air upward in winter. This is especially valuable in high ceiling rooms, where heat that naturally rises is forced back down into the room.

Make sure all hearing vents are opened and unblocked by furniture or other items. This will ensure that the air is evenly distributed through the home. THURSDAY, OCT. 2, 2014

Letter of appreciation to Yogi Crowe Scholarship

y name is Megan Smith, and I am in my second year of Graduate Studies at Middle Tennessee State University. While here, I have had the privilege of working with great professors and meeting wonderful people. Attending school at MTSU has been an enlightening experience so far. I am currently working on my thesis and I hope to complete the program by summer 2015. The board members of the Richard Yogi Crowe Memorial Scholarship Fund continue to be very helpful and supportive of my progress so far.

I am very grateful that the Richard Yogi Crowe Memorial Scholarship Fund has given me another opportunity to be a recipient of this scholarship for Fall 2014. With the funds that I have received, I have been able to take care of many bills and necessities for this semester. So, thank you for alleviating some of the financial stress that is incurred as a graduate student, and I look forward to our continuing relationship.

> Thank you, Megan Smith

Thank you to Yogi Crowe Scholarship

would like to express my deepest gratitude to the Richard "Yogi" Crowe Memorial Scholarship Fund for their assistance with my educational funding. After graduating from Stanford University in 2013, I served an internship in Washington, D.C. with the Department of Agriculture. It was then that I came to realize that I wished to pursue my education further and obtain a doctorate degree. I decided to apply for

graduate school in my preferred field of Psychology.

The support of the Richard Crowe Memorial Fund is assisting me in funding my education at the California School of Professional Psychology to obtain my doctorate degree within its 4-year program. In the spirit of the man who inspired the Richard "Yogi" Crowe Memorial Scholarship Fund, it is my fervent hope to one day serve tribal communities through my education while also inspiring other Native students to obtaining postgraduate degrees. Students like me are fortunate to have such supportive organizations willing and dedicated to helping Native students suceed in a society where they still only hold 2 percent of the nation's post-graduate degrees. The Richard "Yogi" Crowe Memorial Scholarship Fund is making this possible for many Eastern Band members and is much appreciated.

Thank you from the family of Jerry Lee Lossiah

he family of Jerry Lee Lossiah would like to say thank you from the bottom of our hearts to all those who were there for us during the last year of Jerry's illness and his passing. To all the employees of Life Path Hospice, Tsali Care, and Cherokee Indian Hospital, we will forever be thankful for the care and love he received. To the Reverends Danny Lambert and Roger Roland, thank you for preaching God's word and being there for the family. To the Cherokee Boys Club, we are so thankful for everything you did for us. We will never forget your kindness. Thank you to the special singers who came to the hospital and rejoiced with Jerry Lee. Thank you also to Amy Barker for singing

Beulah Land at his funeral. Thank you to everyone who brought food, cards and flowers. Towstring, Holly Springs, Piney Grove, Yellow Hill, and Rock Springs Baptist Churches, thank you for the support, rejoicing and prayers. Please continue to keep us all in your prayers.

With love, Brittany, Pascha, Bubby, Rick, Ed, Bill and the Lossiah Family

Thank you from family of Mollie Blankenship

n behalf of Lloyd Arneach Sr. and the family of Mollie Blankenship, thank you cannot even come close to expressing how thankful we are for everyone's help, condolences and well wishes. We would like to thank each of the following: Yellowhill Reps. B. Ensley and David Wolfe; Reuben Teesateskie; Long house Funeral Home; Scott, Sheena and Maleaha Brings Plenty; Fran McCoy; Sarah Crow Sampson, Austin Sampson, and Keegan Crow; Cherokee One feather; Iva Gentry; Father Everett Fredholm; Yellowhill Community Club; Yellowhill free labor; Cherokee Transit; Chief Michell Hicks and Vice Chief Larry Blythe; Hugh Lambert; Wilbur Paul; Tribal Council, Tsali Care For the Flag Ceremony: Myrtle Driver, Bo Lossiah, Kayla Johnson, David Wolfe and Climbingbear. Once again, thank you to everyone who stopped by for Mollie's visitation and service.

The incredible, edible...sweet potato!

weet Potatoes are not just for the holidays. This versatile potato can and should be eaten every day.

Did you know that when a sweet potato is damaged or bruised it releases sporamins that actually heals itself? How great is that? Think about how it's healing properties can help with stomach ulcers and digestive issues.

This potato is rich in Vitamins A and C, B6, beta-carotene and manganese, fiber and potassium. It also has antioxidants that helps decrease the risks of cancers. Anti- Inflammatory properties help in curing internal and external inflammations.

Rheumatoid arthritis sufferers can lower the amount of inflammation by eating sweet potatoes. If diabetics frequently eat this potato, the carotenoids can help your body respond to insulin better and, there for, lower your blood sugars. Smokers should eat foods high in vitamin A

to lower the risks of emphysema and other lung diseases. Sweet potatoes provide 90 percent of the body's Vitamin A needs. Cool, huh?

Go out and enjoy this super food. Try new recipes and have fun. Here are four ways to enjoy sweet potatoes:

Bake two sweet potatoes and two white potatoes in a 400 degree oven until soft.

Scoop potatoes out of the shells. Mash together. Season to taste with butter, salt and pepper. Stuff back into shells. Bake in oven for 10 more minutes.

Top a baked sweet potato with butter, cinnamon and maple syrup for a tasty treat.

Mash four cooked sweet potatoes with one can (20 ounces) crushed pineapple without juice. Add

some of the pineapple juice while mashing until potatoes are fluffy. Place in a casserole dish and bake in a 350 degree oven for 15 min.

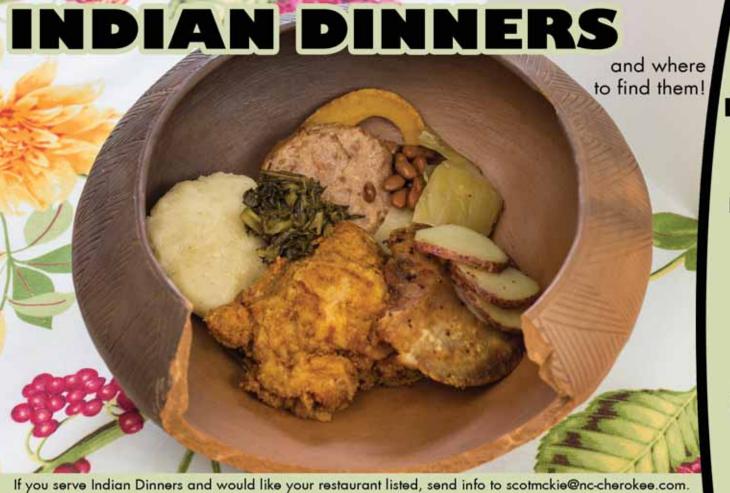

Top a baked sweet potato with chopped ham and shredded swiss or cheddar cheese.

Celebrating Farm to School Month and National School Lunch Week at Cherokee Central Schools

ctober is National Farm to School Month, a time to celebrate the connections that are happening all over the country between schools and local food.

Farm to School enriches the connection communities have with fresh, healthy food and local food producers by changing food purchasing and education practices at schools and preschools. Students gain access to healthy, local foods as well as education opportunities such as school gardens, cooking lessons and farm field trips.

Over the past decade, the Farm to School movement has exploded across the United States. Farm to School is an important tool in the fight against childhood obesity and food insecurity. In addition to improving child health, when schools buy local, they create new markets for local and regional farmers and contribute to vibrant communities, a win-win-win scenario!

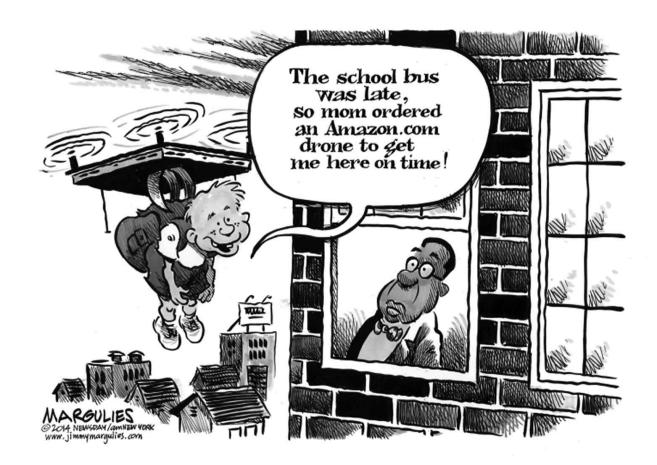

To recognize the National School Lunch Program and the 30 million children it serves everyday, Cherokee Central Schools will recognize National School Lunch Week from Oct. 13-17.

"School lunches are healthier than ever, with more fruits and vegetables, more whole grains, and less fat and sodium" said Janette Broda, Cherokee Central Schools nutrition director.

In celebration of all these wonderful things, the resident FoodCorps Service Members, Jordain Garettson and Katie Rainwater, and Broda have planned lots of exciting activities and opportunities for Cherokee Central Schools this month!

Stay tuned for more details on our four local food taste tests, educational opportunities, and Halloween Healthy Snack Celebrations!

EBCI LAND NEEDS ASSESSMENT MEETINGS

An initiative is underway to identify the kinds of land, beyond existing EBCI holdings, which could be helpful in supporting cultural preservation, health, and economic development in the future for the community. The "EBCI Land Needs Assessment", funded by a grant to LTLT by the Cherokee Preservation Foundation, is seeking input from Tribal members in a round of meetings this fall.

Some of the questions being asked are:

- Should the EBCI have long-term plan for accessing new lands—and for what purposes?
- How can the EBCI take advantage of partnerships off of the Boundary that can leverage outside funding and new opportunities?
- Do pressures and competition for land put a damper on tribal farming, cultural tourism, business development, protection of historic sites, and housing?

If you are interested in hearing more or have ideas or questions, please come to one of the upcoming four meetings:

- Thursday, Oct. 16 WCU Cherokee Center-Cultural and Historic Site Protection
- Thursday, Oct. 30 WCU Cherokee Center-Health, Recreational, Educational Areas
- Thursday, Nov. 6 WCU Cherokee
 Center-Commercial, Tourism, Housing
 Development
- Tuesday, Dec. 2 Yellow Hill Community Club. Prioritizing ideas from the different focus areas.

All meetings will run from 11am – 2pm with lunch provided. RSVP to Jane Kneller, WCU Cherokee Center, 497-7920 or jkneller@email.wcu.edu
