MONTHLY REPORT

AUGUST 2024

MONTHLY SUMMARY

By: Chief of Police Carla Neadeau

The purpose of the EBCI Law Enforcement Monthly Report is to compile data into one integrated report for review. I hope you find these reports informative and useful. Several community members have offered suggestions about these reports, and we will make changes as this effort of openness continues.

May remained busy for us as you will see in the pages that follow. The data in the tables below shows an increase in almost every category this month.

We are still hiring. We have two enrolled male cadets in Basic Law Enforcement Training right now and two cadets started today.

We appreciate all your support, and we welcome every opportunity to do better.

Please note that if cases decrease it is because the case has been closed by means of suspects charged, or by other means.

Please be aware that the quantity is no reflection on the severity or complexity of the cases. In other words, a lower number is no indication of how hard or long an investigator is working certain sensitive caseloads

SAFETY TIP

Motor Vehicle Safe Driving Practices for Employees

According to data from the National Safety Council (NSC), motor vehicle deaths hit a spike of 24% in 2020 despite a reduction in miles driven. Besides driving vehicles as part of work, many workers could be tempted to engage in unsafe driving behaviors such as speeding, skipping red lights or overtaking if they're running late for work or a meeting. Other risk factors include not wearing a seatbelt, or driver distractions such as phones and GPSs. With 56% of drivers admitting to skipping a red light at least part of the time, this is a critical message to reiterate.

You are your employer's most valuable asset! The way that you drive says everything about you and your company. Make a positive statement by following these work-related safe driving practices.

Stay Safe

• Use a seat belt at all times – driver and passenger(s).

• Be well-rested before driving.

• Avoid taking medications that make you drowsy.

• Set a realistic goal for the number of miles that you can drive safely each day.

• If you are impaired by alcohol or any drug, do not drive.

Stay Focused

• Driving requires your full attention. Avoid distractions, such as adjusting the radio or other controls, eating or drinking, and talking on the phone.

• Continually search the roadway to be alert to situations requiring quick action.

• Stop about every two hours for a break. Get out of the vehicle to stretch, take a walk, and get refreshed.

Avoid Aggressive Driving

• Keep your cool in traffic!

• Be patient and courteous to other drivers.

- Do Not pass stopped school buses.
- Stay aware of children that may be waiting at a bus stop.

• Do not take other drivers' actions personally.

• Reduce your stress by planning your route ahead of time (bring the maps and directions), allowing plenty of travel time, and avoiding crowded roadways and busy driving times
